

Stay Safe Construction and Transport, Inc.

You have a project and need someone to depend on. **We have** the knowledge, experience, skill and cost effective solution you need.

Stay Safe Construction and Transport, Inc. is a General Engineering and Building Company with offices in both Northern and Southern California. We have extensive construction experience in the categories necessary for the successful completion of any project. Our bonding capacity is at \$1 million plus. We specialize in wood and metal framing, drywall, concrete construction and weatherization. Additionally, Stay

Safe Construction and Transport, Inc. can meet your warehouse and trucking needs. Our 40,000 square foot warehouse is centrally located in Sacramento, California. Our facility is located in a Target Area Contract Preference Act (TACPA) Zone and an Enterprise Zone (EZA) and a qualified HUBZone. Our warehouse is also gated and patrolled 24/7 to provide maximum security.
